Marie-Louise Jergner

Dear Ms. Jergner:

In response to your letter of April 27 about Gladys Rios de Mancuello, for which we thank you, the Bureau of Human Rights needs additional information, to make our representation more effective. In particular, her date of birth, ID number, approximate date of arrest in Argentina, and reasons for detention in Paraguay.

We look forward to hearing from you and can assure you that we will take all appropriate steps to convey to the Government of Argentina our deep concern about infringements of human rights in that country, in particular with regard to this and other disappearances.

Yours sincerely,

*Roberta Cohen*Roberta Cohen
